Sun Valley Manor

Our featured home this month is Sun Valley Manor in Scottsdale, AZ. Since 1997, Sun Valley Manor has been providing great care and even greater memories to their residents. Most importantly, Sun Valley was the original Audrey's Angels' home-- where it all began, and where the Aldersons' beloved Aunt Betty lived. Thanks to Sun Valley for being a part of the founding of Audrey's Angels!

"The Honey Dews" Marlene & Virgil Cole

This month we are recognizing some very special Music Angels who have been with us from the beginning! Marlene & Virgil Cole, also known as "The Honey Dews", are two of our original Angels and started volunteering with us in December of 2001! They are still going strong! Thank you to the Coles for their dedication to music and the elderly.
