The 14th Annual Audrey's Angels Golf Tournament!

Year 14 of our Annual Golf Tournament is successfully in the books - thanks to all of you!

On Saturday, May 13th, 27 Foursomes, Sponsors, and special guests started the day at 6:45 am at Pine Course at the beautiful McCormick Ranch Golf Club.

This event was especially notable, because so many came to honor Robert Alderson, one of the founders of Audrey's Angels.

Thank you!

Sincere thanks to *all* that attended the event, the sponsors, volunteers, those that were part of the behind the scenes planning team, the board, as well as the staff of McCormick Ranch Golf Club.

In Loving Memory of Robert Alderson.

On April 18th, 2017, Audrey's Angels lost a truly beautiful and amazing soul.

Robert Alderson, Sr., founded Audrey's Angels with his wife, Audrey Alderson in 2001 after seeing a need for this type of interactive programming in the senior care home where their Aunt Betty lived.

Robert was a generous, gentle giant who loved God and his family deeply. Robert was a graduate of Johns Hopkins and Notre Dame universities. As a Mechanical Engineer, he was involved in the moon landing research.

Robert enjoyed playing bridge at the Via Linda and Devonshire Senior Centers, and volunteered part time at Paradise Valley United Methodist Church teaching Adult Bible Study classes, serving on the building and organ committees, and serving as Chairman of the Council of Ministries. Robert served as Chairman of the Board of Audrey's Angels.

Planned Giving Committee Developing

Board Vice Chair, Todd Stoa, will serve as Chair of the Planned Giving Committee for Audrey's Angels. The Audrey's Angels Board has long desired to implement a planned giving program to fulfill the requests of our supporters to make planned gifts to Audrey's Angels.

If you have an interest in serving on either of these committees or wish to learn more about our events or planned giving opportunities, please contact Linda@audreysangels.org.

Become a Music Angel Volunteer!

The musicians that dedicate their time to bringing live music enrichment programs to seniors in group homes are a vital and valued part of our organization.

If you would like to become a Music Angel, and truly change the lives of senior shut ins and disabled adults, please contact Linda Alderson at 602-795-2122 or linda@audreysangels.org.

We begin the process with a phone interview, then schedule a thirty minute audition at one of the many care homes we serve. Please consider becoming a Music Angel today!
